

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 25, 1995

SUBJECT: **SB 1135 - HB 1745**

This bill, if enacted, provides that if an owner, operator or his agent make a voluntary disclosure of an environmental compliance violation, they shall be immune from state or local administrative and civil penalties associated with this violation.

The fiscal impact from enactment of this bill is estimated to result in a decrease in state revenue from a loss of fines and penalties to the general fund; however, such amount cannot be reasonably determined but can reasonably be estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
